THE JACKSON TOWNSHIP MUNICIPAL UTILITIES AUTHORITY
OCEAN COUNTY, NEW JERSEY

Rules and Regulations

Definitions _____	2
-------------------	---

Section I – Policies

1.0 Policy for Providing Utility Service _____	4
2.0 Billing _____	4
2.1 Miscellaneous Fees and Services _____	5
3.0 No Oral Agreements _____	5
3.1 Omnibus Provisions _____	5
4.0 Use Regulations _____	6
4.1 Water Use Regulations _____	6
4.1.1 Irrigation _____	8
4.2 Sewer Use Regulations _____	8

Section II – Requirements for Individual Water and Sewer Service

1.0 Determination of Service Availability _____	10
2.0 New Application for Individual Service _____	10
3.0 Change in Ownership _____	11
3.1 Residential _____	11
3.2 Non-Residential _____	11
4.0 Non-Residential – Mandatory Connection _____	11

Section III – Requirements for Developer and Non-Residential Water and Sewer Service

1.0 Overview _____	12
2.0 Application for Review of Preliminary Plans _____	14
3.0 Application for Review of Tentative Plans _____	15
4.0 Application for Review of Final Plans _____	17
5.0 Review and Inspection Fees _____	18
6.0 Performance Bond _____	19
7.0 Certificate of Insurance _____	19
8.0 Connection Fees _____	20
9.0 Construction _____	20
10.0 Partial Performance Guarantee Reduction _____	22
11.0 Performance Bond Release _____	23
12.0 Maintenance Bond _____	23

Exhibits

- A. Statement of Utility Services
- B. Application for Review of Preliminary Plans for Utility Services
- C. Application for Review of Tentative Plans for Utility Services
- D. Application for Review of Final Plans for Utility Services
- E. W9

Section IV – Specifications for Construction

1.0	Excavations	25
1.1	Trench Excavation	25
1.2	Bracing and Shoring	25
1.3	Backfilling	25
1.4	Pavement Restoration	26
1.5	Dewatering	26
1.6	Erosion Control	26
1.7	Easement Markers	26
1.8	Maintenance of Traffic	27

Section V – Specification for Construction of Sewer System

1.0	Piping	28
1.1	Handling	28
1.2	Cleaning	28
1.3	Bedding and Pipe Installation	28
1.4	Cleanups and Restoration	29
2.0	Sewer Pipe	30
2.1	Ductile Iron Pipe Fittings	30
2.2	Polyvinyl Chloride Pipe (PVC)	30
2.3	Joints	30
3.0	Manholes	31
3.1	Precast Concrete Construction	31
3.2	Manhole Steps	31
3.2.1	Precast Concrete Construction Manhole Steps	31
3.3	Manhole Frames and Covers	32
3.4	Manhole Coatings and Liners	32
3.5	Doghouse Manholes	33
3.6	Drop Manholes	33
3.7	Connections to an Existing Manhole	33
3.8	Manhole Accessibility	34
4.0	House Lateral Connections	34
5.0	Ejector Pumps	34
6.0	Sanitary Sewer Testing	35
6.1	Manhole Vacuum Testing	35
6.2	Low Pressure Hydrostatic Test	35
6.3	Low Pressure Pneumatic Test	36

6.4	Deflection Test for PVC Sewer Pipe _____	36
6.5	Continuity Test for Tracer Wire _____	37
6.6	Televising Sewer Mains and Laterals _____	37
7.0	Pumping Stations _____	37

Section VI – Specification for Construction of Water System

1.0	Piping _____	38
1.1	Handling _____	38
1.2	Cleaning _____	38
1.3	Bedding and Pipe Installation _____	38
1.4	Cleanups and Restoration _____	39
2.0	Piping and Accessories _____	39
2.1	Ductile Iron Pipe and Fittings _____	39
2.2	Tapping Sleeves _____	40
2.3	Fire Hydrants _____	40
2.4	Valves _____	41
2.4.1	Gate Valves _____	41
2.4.2	Butterfly Valves _____	41
2.4.3	Automatic Air Release Valves _____	42
2.5	Valve Boxes _____	42
2.6	Meters _____	42
3.0	Water Services _____	43
3.1	Method of Construction _____	43
3.1.1	Excavation and Backfill _____	43
3.1.2	Handling _____	43
3.1.3	Tapping _____	43
3.1.4	Laying Pipe _____	43
3.1.5	Curb Box and Curb Stop _____	44
3.1.6	Tests _____	44
3.1.7	Disinfection _____	44
3.1.8	Fire Services _____	44
3.2	Materials _____	44
3.2.1	Copper Pipe _____	44
3.2.2	Service Saddles _____	45
3.2.3	Corporation Valve _____	45
3.2.4	Curb Valve _____	45
3.2.5	Curb Box _____	45
3.2.6	Back Flow Preventors _____	45
3.3	Disinfection and Testing _____	45
3.3.1	Pressure and Leakage Testing – Tapping Sleeve & Valve _____	45
3.3.2	Pressure and Leakage Testing – Pipe Line _____	46
3.3.3	Disinfection _____	46
3.3.4	Flushing _____	47
4.0	Water Booster Stations and/or Storage Tanks _____	47

Section VII – Appendix and Details

Water Cost Sheet _____	A
Sewer Cost Sheet _____	B
 Details/Drawings	
Single Water Meter _____	C1
Dual Water Meter _____	C2
Meter Box _____	C3
Meter Pit _____	C4
Water Service Connection _____	C5
Fire Hydrant Detail _____	C6
Wet Tap Connection _____	C7
Water Main Valve _____	C8
Utility Crossing Detail _____	C9
Water Main Blow Off _____	C10
Service Lateral Connection _____	C11
Deep House Service Lateral _____	C12
Standard Manhole _____	C13
Drop Manhole _____	C14
Manhole Frame and Lid _____	C15
Doghouse Manhole _____	C16
Force Main Air Relief Manhole _____	C17
Force Main Cleanout Manhole _____	C18
Joint Restraint Schedule _____	C19
Trench Restoration Detail _____	C20
 Bonds	
Performance Surety Bond _____	D1
Irrevocable Standby Letter of Credit – Performance _____	D2
Maintenance Surety Bond _____	D3
Irrevocable Standby Letter of Credit – Maintenance _____	D4
 As-Built Requirements	
Water Record Drawing Requirements _____	E1
Sewer Record Drawing Requirements _____	E2
 Easements	
Grant of Water Easement _____	F1
Grant of Sewer Easement _____	F2
Grant of Blanket Utility Easement _____	F3
Developer’s Affidavit _____	G
Sanitary Sewer Pump Station Standard (provided only if applicable) _____	H
SCADA System Standard Manual (provided only if applicable) _____	I
